Ganado School Parent(s)/Guardian & MS/HS student(s)
RE: **PowerSchool Parent/Student Portal Access**

Dear Sir or Madam:

Ganado Unified School District has a way for you and your Middle School or High School student to keep track of their progress throughout the school year. All you need is a computer, tablet, or phone that can get to the internet!

PowerSchool Portal is a web-based tool that parents & HS students can log onto to view school information. Types of information are;

- ✓ Attendance
- ✓ Marks (Grades)
- ✓ Schedule
- ✓ Progress

Please indicate below for permission to access PowerSchool Parent/Student Portal. Once I receive your permission, then I will send you a letter with instructions on how to log onto Parent Portal.

PowerSchool Student Portal is recommended for all Middle School and High School students. The Student Portal helps students to check on their progress. With your permission, your child will then be sent their own password to login to view their information.

If you have any questions, please feel free to call Leola Thompson @ 755-1065 and I will be glad to answer any questions you have.
