

Abstract Art

We will be continuing with abstract art, remember, artists who make abstract art use different shapes, lines, and colors. They also make their drawings/paintings not like the actual thing. This week's featured artist is Pablo Picasso.

Here are some of Pablo Picasso most famous painting:

But what you will be doing something like this:

Lesson 1:

Create your Picasso by using the different shapes, lines, and colors. You can either draw yourself or someone in your family. You are free to use the “Picasso Faces” handout.

- * Use a pencil to sketch your drawing
- * Make sure to add on a hat, earrings, necklace, or whatever you like to your portrait (face drawing of you or family member).
- * Be sure to use a black marker and go over your pencil lines.
- * Remember my rule about paper – “Use the entire sheet”
- * Color
