- ◆ We are very happy to have our students return in-person to school. We missed our Hornets!
- ◆ Please make every effort to have your High School student attend school every day. Attendance is so important due to all the missed time with teachers.
- ◆ Students need to work especially hard if they missed any work during remote learning. Spending time at home doing homework and attending tutoring are ways for students to catch up or keep on track with assignments. Students who are online also need to "dig-in" and work every day to make progress toward finishing online classes by the end of the semester. **STUDENTS, STAY MOTIVATED! DON'T GIVE UP!**
- ◆ After school tutoring is offered from 2:30 - 5:30 Monday to Thursday. Bus service is available. Snacks are provided. Check with teachers to see what days they will offer tutoring. This is a great time to get one-on-one help from teachers and to catch up on any missing assignments.
- ◆ Parents: Please update your contact information. We have a lot of non-working phone numbers that make it difficult to contact you in case of an emergency. Please call the school for assistance.
- ◆ Do not send or allow your student to come to school sick. We are still following COVID-19 protocols and if your student is sick, we will isolate them and call you to pick them up and take them to see a doctor and get tested. Please help our school community stay healthy!
- ◆ Seniors need to check with counselors on your progress toward GRADUATION! As the year moves closer to graduation, you need to make sure you have met all the requirements. The counselors send important information like the ACT testing, Scholarship applications, college and military visits, FAFSA, etc., to your Hornetland Email accounts. Please check often. The Senior class has been having meetings, please see Ms. Evonne Yazzie for information.
- ◆ We are currently planning for summer school in the month of June. Counselors have been sending home letters to students who are behind in credits. Please look out for further information being shared with students.
- ◆ Lastly, Congratulations to our Class of 2021 Graduates who were awarded the Chief Manuelito Scholarship from the Navajo Nation! Andre Joseph, Sicilee Silversmith, and Lucas Edgewater. We hope to have more in the next group of 2022 graduates.

Have a great month!  
Mrs. Sidney, Principal
