

# Greetings from the Superintendent

Welcome Back Students and Staff!

We are so excited to start the new school year. This is our first year back to an entirely in-person medium of instruction. If your child has a particular health condition or is on an IEP or 504 that may require online education, please get in touch with your child's principal.

We have had the unfortunate experience of flooding in the Intermediate School. For this reason, we have had to relocate our students. The third and fourth grades will be relocated to the Primary School. Fifth Grade will be relocated to the Middle School. We anticipate the return of our students to the Intermediate School within the month. It is more conducive to their education to remain relocated until the Intermediate roof repair is finished. I want to thank the staff for their outstanding efforts in this process.

The Governing Board elected to reconsider the mesh backpacks for students in grades PK-2, where they recommend, mesh bags but are not required. However, students in the Third Grade and older will be required to continue the use of mesh backpacks. We continue to appreciate parent/guardian cooperation during this transition.

Also, please welcome our new athletic director Tyson Draper. Mr. Draper is from Safford, Arizona, with extensive basketball experience. Mr. Draper started a YouTube channel for athletics, which you can find the link on the district website.

We are excited for the start of the school year and look forward to welcoming the students back.

Betsy Dobias, Superintendent

There's no telling how this year  
might go. But in all this uncertainty,  
there's one thing you can count on:  
the dedicated, caring women and  
men of our child nutrition program  
will be preparing and serving  
convenient, economical, healthy  
school meals for our students every  
day. In the lunchroom. Or in the  
classroom. Or somewhere else all  
together. We'll be there for you.
