- ◆ We are very happy to have our students return in-person to school. We missed our Hornets!
- ◆ Please make every effort to have your High School student attend school every day. Attendance is so important due to all the missed time with teachers.
- ◆ Students need to work especially hard if they missed any work during remote learning. Spending time at home doing homework and attending tutoring are ways for students to catch up or keep on track with assignments. Students who are online also need to "dig- in" and work every day to make progress toward finishing online classes by the end of the semester. **STUDENTS, STAY MOTIVATED! DON'T GIVE UP!**
- ◆ Benchmark testing will be held February 28th – March 8th. Please make sure your student attends school on the dates of testing. It is important that we measure how our students are progressing as we move toward State testing in April.
- ◆ **March 2nd and 3rd is testing for English Language Arts.**
- ◆ **March 7th and 8th is testing for Science.**
- ◆ After school tutoring is offered from 2:30 - 5:30 Monday to Thursday. Bus service is available. Snacks are provided. Check with teachers to see what days they will offer tutoring. This is a great time to get one-on-one help from teachers and to catch up on any missing assignments.
- ◆ Parents: Please update your contact information. We have a lot of non-working phone numbers that make it difficult to contact you in case of an emergency. Please call the school for assistance.
- ◆ Do not send or allow your student to come to school sick. We are still following COVID-19 protocols and if your student is sick, we will isolate them and call you to pick them up and take them to see a doctor and get tested. Please help our school community stay healthy!
- ◆ Seniors need to check with counselors on your progress toward GRADUATION! As the year moves closer to graduation, you need to make sure you have met all the requirements. The counselors send important information like the ACT testing, Scholarship applications, college and military visits, FAFSA, etc., to your Hornetland Email accounts. Please check often. The Senior class has been having meetings, please see Ms. Evonne Yazzie for information.
- ◆ We are currently planning for summer school in the month of June. Counselors have been sending home letters to students who are behind in credits. Please look out for further information being shared with students.
- ◆ Spring Break is March 14 – 18, 2022. Have a happy and healthy one!
- ◆ Our next remote learning day will be on March 23, 2022. There will be no in-person school for students on this day and all assignments will be in Google Classroom. Please plan accordingly.
- ◆ Lastly, Congratulations to our Class of 2021 Graduates who were awarded the Chief Manuelito Scholarship from the Navajo Nation! Andre Joseph, Sicilee Silversmith, and Lucas Edgewater. We hope to have more in the next group of 2022 graduates.

Have a great month!
Mrs. Sidney, Principal

ANNOUNCEMENT

Congratulations to the following students will be inducted into membership of the Ganado Chapter of the National Honor Society. Membership in the National Honor Society is one of the highest honors that can be awarded to a high school student. Our chapter of NHS has worked hard to bring the accomplishments of outstanding students to the attention of parents, teachers, peers, and the community. Our chapter and the more than 16,000 chapters in schools across the nation strive to give practical meaning to the Honor Society's standards of scholarship, service, leadership, and character. These four ideals have been considered as the basis for your selection. No student is inducted simply because of a high academic average. The National Honor Society strives to recognize the total student—one who excels in all of these areas. The standards used for your selection were: scholarship 3.0 cumulative average, service, leadership, and character, as demonstrated by activities and teacher input.

What is Child Find?

Child Find is a component of the Individuals with Disability Education Act (IDEA '04) that requires Public Education Agencies (PEA) to locate, identify, and evaluate all children with disabilities, aged birth through 21, located within their boundaries of responsibility who are in need of early intervention or special education services.

When do we have Child Find Screenings?

Every 45 days our school hold Developmental Screenings for children birth to 5 years of age, whose legal guardian suspects a disability and who are not currently enrolled in a GUSD public school. The event will be on the school district campus and contact GUSD school to find location.
