SUBJECT: **Extended School Closure Student Assignments**

Ganado Primary School is looking forward to the return of students on April 13, 2020. In the meantime, please stay safe and work with your child at home the best you can. We do not want to overwhelm anyone during this already stressful time, however we want to ensure your child is provided with the opportunity to have access to educational content. You may have already heard from your child's teacher and have been provided some work or are waiting for work. I can assure you all the teachers are working hard to provide all students with work while school is closed. Some teachers are creating packets of work to be mailed home, others are uploading assignments to our GUSD website, or teachers are using Google Classroom. The Classroom Assignments Page on the website will be updated weekly. If you have any questions, please contact me at (928) 755-1218.
