Leading The Way Magazine Vol 7 No 12 Vol 11 No 8 Vol 12 No 3 Standard 1: Communication: Students understand and interpret written and spoken communication on a variety of topics in the target language.

Standard 4: Culture Explain how the target language and its culture add to the richness of our cultural diversity.

COM.I.1 Communicate using key words and phrases in the target language within the school setting (and beyond, as applicable).

Use expanded vocabulary and structures in the target language to access and interact with different media and community resources within the school setting (and beyond, as applicable).

RESPECTA

How do you compose compositions that reflect other students respect for themselves?

How do you compose composition that reflects student respect for others?
How can you restate sentences without changing the verb?

What are some verbs that can be used for almost any food items?

How do you match the future verbs with words that depict the future?

THENDUNES

COMMUNICATION

SELF & BOTISE

EMARENESS

Analysis: Explain how respecting themselves leads to the respect of others.

Synthesis: Compose compositions that reflect the students' respect of themselves.

Cognitive Goal: Students will participate in all class activities to promote learning of subject matter.

Synthesis: Compose composition that

reflects students respect for other **Psychomotor Goal:** Students will read

and comprehend simple Navajo words, verbs, and sentences.

Synthesis: Students will translate English sentences into Navajo sentences.

Synthesis: Students will compose a composition that includes the cooking verbs learned in this chapter.

Psychomotor Goal: Students will read and comprehend simple Navajo words, verbs, and sentences.

Synthesis: Students will translate English sentences into Navajo sentences.

Synthesis: Students will compose a composition that includes the cooking verbs learned in this chapter.

Comprehension: Students will match the future verbs with words that depict the future.

Application: Students will speak sentences using new names of subjects, verbs, and direct objects.
Analysis: Students will identify how Congressional Acts have directly affected the formal education of Navajo elders.
