

ALTERNATIVE ACTIVITIES

-  In lieu of in-person house parties, host virtual Halloween events, e.g. virtual costume contests
-  Host drive-by Halloween events, e.g. neighborhood or town-based house decorating
-  Prepare candy scavenger hunts at homes with your household members.
-  Have a Halloween movie night with the people in your household

October Hornet News Letter

From the Superintendent

Ganado Unified School District No. 20

Post Office Box 1757 - Ganado, Arizona 86505
 Telephone: 928.755.3000 Fax: 928.755.1012
 District Website: www.ganado.k12.az.us

Thursday, October 7, 2021

Greeting Parents, Guardians, and GUSD Stakeholders:

This school year has been unique to any other school year. We have learned so much through including adjusting as we are going. We seek parent input through surveys via phone, particularly regarding how our students are attending school. At current, we are alternating A and B days and will continue to do so up until Christmas. A Calendar is attached in this newsletter. We did go to remote learning for the teachers to participate in professional development on September 22nd. On September 23rd, we went to remote learning to bus our students to the mass flu vaccination event at Sage hospital. We have three awarded roofing projects, and at this point, we are gathering the materials so that when spring hits, we are ready to go. We have to work around the winter. We have done intermittent repair to get us through until then.

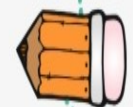

Our touchless paper towel dispensers and soap have continuously been pushed back by the company at this point. They are arriving on the 29th. This should be the last of the touchless items that we need.

We run multiple bus runs daily to keep our numbers on the bus down. This has been helpful for the social distancing effort. We have small enough groups that we can do one run for athletics. As always, we appreciate your continued support.

Sincerely,

Dr. Betsy Dobias Superintendent

Ya'aah'teeh from Ganado Primary School

The end of the first quarter is approaching quickly. I would like to say a big "Thank you to the Parents!" It has been an interesting start of the school year, and everyone has adapted to the changes. We are all in this together! Thank you for allowing us to be a part of your child's educational endeavors. We are learning something new every single day. It is wonderful to see our kiddos back in school, and staying safe is our utmost importance. Please, remember that we are not doing bus passes this year. If you need your child to be picked up, a written note, or email should be sent in before 12pm on that day. Also, if your child is not feeling well please keep them home. Thank you for your understanding. Below are the upcoming events in October.

What's Happening in October at GPS...

End of the grading period – October 7th

Fall Break – October 8th – October 11th

Spirit week – Homecoming – TBA

October Festivities – Oct. 25th-29th (this will include Halloween Costume day)

Intermediate School Update

A majority of the students in-person and online have completed the 1st Comprehensive Benchmark Assessment Series and the STAR Reading and Math assessments.” Teachers have begun analyzing individual student data. Our goal this month is to begin using the data to plan instruction and begin targeted interventions. Interventions will be scheduled with individual students by their teachers. Our ALLIED team is working closely with homeroom teachers during the Literacy Block Monday through Friday. Our 2nd goal is to review the 45 day screeners and begin the RTI process. Our Counseling department will be Celebrating Red Ribbon week the week of October 25-29, 2021.

Middle School Minute

Students are excited to be back in school, however some students forget about social distancing protocols. Please remind your child about the importance of social distancing in school.

First quarter is quickly approaching. Please encourage your child to turn in any missing assignments.

Students have adjusted well to their schedule. Many students call in for their own attendance. This helps their communication skills.

GMS appreciates your understanding, patience and support! Be Safe!

High School News

The 1st quarter comes to an end on October 7, 2021. Student grade reports will be mailed out the following week. Currently, we are seeing students who are failing courses or have very low grades because they are not completing assignments provided by the teacher. Please help your student make time at home to complete homework. Check your student’s grades in the PowerSchool Parent Portal or call your child’s counselor, they can get you in touch with the teachers for further discussion. All online students should be logging into Edgenuity every day and completing work for each class they are assigned. Online work should not be viewed as self-paced. A student should have 50% of the class completed by the end of the 1st quarter to be on track to finishing by the end of the semester. Your child’s counselor has discussed these requirements with students, if you would like further information, please call your child’s respective counselor (9/10 grades – Ella Tsosie; 11/12 grades – Charlene Kirk).

The 1st quarter grade is half of the average for the Semester grade which earns a student credit for a class. If a student’s grade is below a 60%, it is possible that a student can fail a class when the scores are averaged resulting in no credit for the class. If a student fails a class, they will need to make up the course in credit recovery, summer school, or it can result in a student not graduating on time in order to complete all requirements. Please discuss the importance of completing homework and doing well in class.

In addition to completing assignments for class, ATTENDANCE is also another component of student success. Please have your child attend school on the day they are assigned (A or B) and check in on Google Classroom when they are not scheduled to be in-person. All online students are to check in on Google Classroom every day. If a student does not have internet at home to check in, a phone call may be made to the school.

Here are the results of our 1st Benchmark Testing held August 30 – September 17. As you can see, we have much work to do in improving academically. Teachers, Students, and Parents must all work together to support our students’ growth. The 2nd Benchmark Test will be October 25-November 5.

Menus for October 2021

Ganado Unified School District # 20

This institution is an equal opportunity provider. Menus are subject to change.

YOU'RE GOOD

ALL STUDENTS EAT ALL MEALS @ NO COST ALL YEAR LONG

Ganado Unified School District # 20

NO BONES ABOUT IT.

Touch the tip of your nose – that's what bones feel like without calcium. Bones that don't get enough calcium are weaker and more likely to break. Good sources of calcium include milk, yogurt, cheese, and calcium-fortified cereal and orange juice.

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.

WELLNESS IS A WAY OF LIFE!

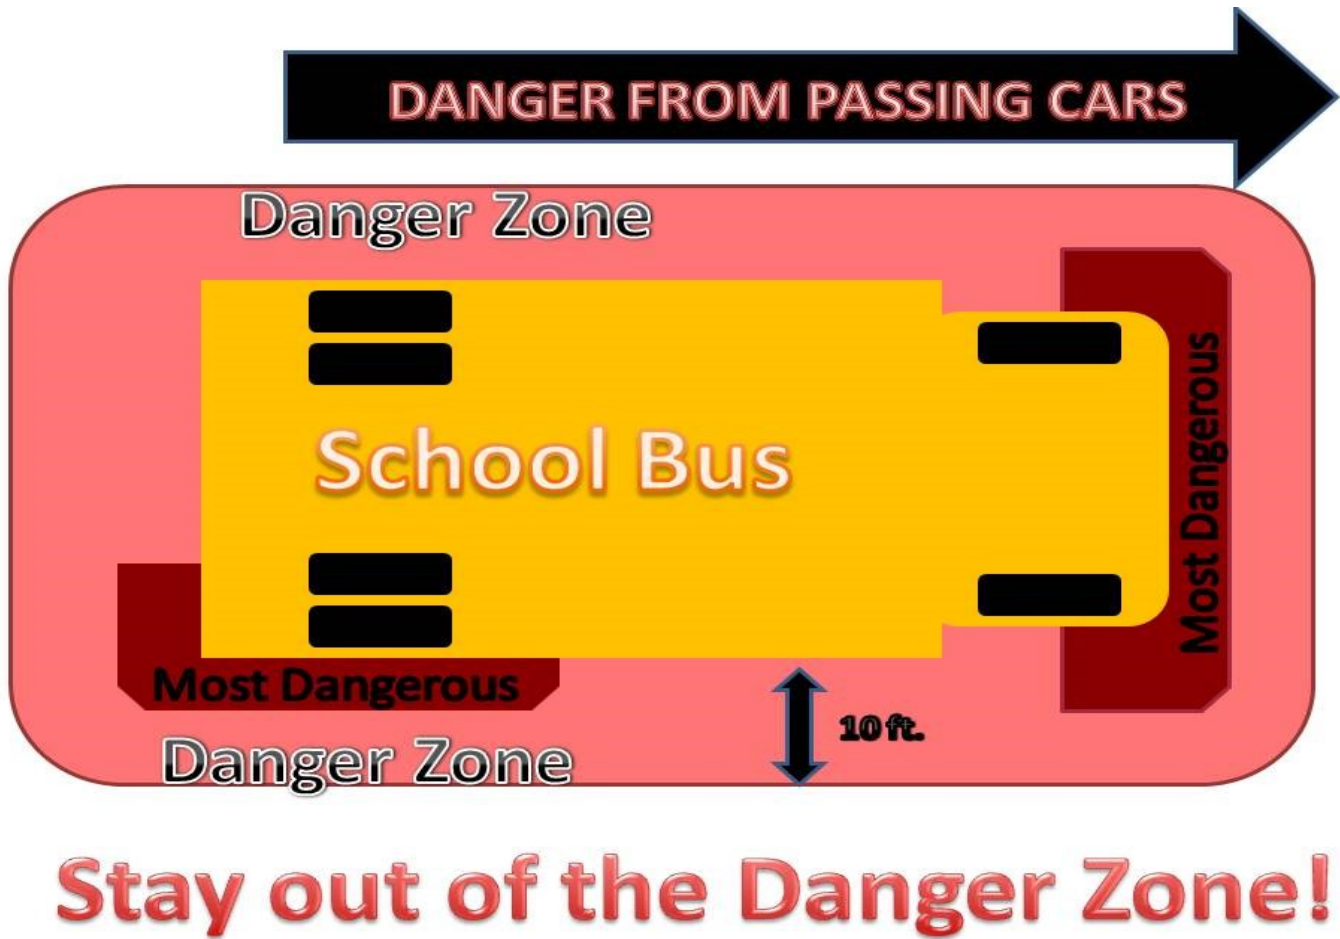

Supply and demand.

We're trying to continue to operate as close to our pre-pandemic level as possible. But, like the restaurant and food service sector generally, we're facing unprecedented supply chain challenges. Sometimes we may have to substitute an item at the last minute to give our customers the best, freshest options available that day. We thank our parents and kids in advance for your on-going understanding of this situation!

School Meals
