Ganado Parent & **Student**
RE: **PowerSchool Parent/Student Portal**

Dear Sir or Madam:

Ganado Unified School District has a way for you and your High School student to keep track of their progress throughout their high school years. All you need is a computer, tablet, or phone that can get to internet!

PowerSchool Parent/Student Portal is a web-based tool that parents and students can log onto to view your child's school information. Types of information your child can view;

- ✓ Attendance
- ✓ Marks (Grades)
- ✓ Schedule
- ✓ Calendar
- ✓ Progress Reports

Please indicate below if you want access to PowerSchool Parent Portal. If you indicate that you want access to PowerSchool Parent Portal I will send you, the parent; a letter with instructions on how to log onto the Parent Portal. If you have other children at Ganado Unified School District, you will be able to check on their progress as well with this login.

PowerSchool Student Portal helps your teenager to become more self-sufficient, by giving them a way for them to check on their own progress. (The high school teachers strongly recommend all incoming high school students access their own information using Student Portal.) With your permission, your child will be able to access PowerSchool Student Portal and I will send them their own password which will allow them to access only their information.

PowerSchool Parent/Student Portal is a safe, secure way to view school information. If you have any questions, please feel free to call Leola Thompson @ 755-1065 and I will be glad to answer any questions you have.

Mark all that apply:

_____	I, as parent, want access to PowerSchool Parent Portal

_____	I, as parent, DO NOT want access PowerSchool Parent Portal .

_____	**I give my permission for my child** to access PowerSchool Student Portal so they can check their own progress.

Grade	Student Name	Parent Name (Print)	Parent Signature	Date
