

## Main Campus Water lines

### **Failure to collect routine samples at appropriate site/frequency.**

Water sample results received December 29, 2023 showed violation Periods for July, August, and September. Notice of Tier 2 violations allow 30 days for notification.

### **What should I do?**

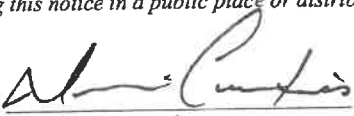

Public may continue to use water as normal use for cooking, cleaning, and hygiene use.

### **What happened? What is being done?**

Water samples were not collected and turned into the EPA office in a timely manner. Going forward, water samples will be collected on a routine basis and the future samples collected will be turned in with EPA office in Window Rock, Arizona. For more information, please contact Irvin Curtis at (928) 755-1088

*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*
