## From the Superintendent

Greeting Parents,

I want to take the time to address how students will be attending school returning after Labor Day. *If your child is receiving their instruction entirely online, they will continue to do so without change.* Returning from Labor day, beginning September 6th, 2021, we will remain on a hybrid schedule, except Wednesday will now be an in-person instructional day. The decision to stay hybrid was primarily a response to the parent survey and our current orange status. We anticipate staying with this schedule until October 12th, 2021. A calendar is attached, so you know which days your child will be attending school.

As you all know, at this point, we have had an instance of COVID in our school district. Please take solace in knowing that immediately upon receiving this information, leadership met incident command at Sage hospital. Out of an abundance of caution, we placed every school in the district on online instructional delivery. In addition to this, we worked together with Sage hospital to host a drive-through testing event. Over 300 people were tested, and it was the largest testing event Sage hospital has had since the pandemic.

In addition to this, we have many safety precautions in place. Students are temperature checked upon getting on the bus. Both students and staff wear masks and will continue to do so until the mask mandate is lifted by the office of the Navajo Nation president. Both the teachers and the students have Plexiglas sneeze guards. Our air filters are meeting the specifications to block COVID in our HVAC systems. We have touchless sinks and toilets. Our fountains are on order currently; our students are offered bottled water at breakfast and lunch.

I want to sincerely thank you for the patience, support, and grace you have shown to your children, their incredible teachers, and every one of our staff who works with your family.

Sincerely,

Betsy Dobias, Superintendent

### Attendance Check-in Procedures:
