Friday

Native Taco w/
Fry Bread
Shred Tomato, Lettuce
Salsa
Fresh Fruit
Choice of Milk

Section III: GENERAL ATTENDANCE INFORMATION

A. Attendance Procedures

1. Parents of students who are absent should call the student's school front office to report an absence.
2. A student returning to school after an absence must present a written note from their parent or legal guardian explaining the reason for the absence. This note should be turned into the attendance office on the day following the absence, or per phone call on the day of the absence, otherwise, it may be considered unexcused. The note must include the following:
 - The date(s) of the absence(s).
 - The date the note was written.
 - The reason for the absence(s). (Notes that say "Personal" or "Family Emergency" without explanation will be considered unexcused.)
 - A signature of the parent/legal guardian.
3. Students must get an admit slip from the attendance clerk and have it signed by the teacher(s) of the class(es) missed. It is the student's responsibility to collect all required signatures. If he or she fails in this task, the absence(s) will be counted as unexcused.

B. Tardiness

Excessive tardiness is disruptive, denies the offending student their education and interrupts the concentration of the teacher and the other students of the class. A student is tardy when he or she is not in the classroom when the final bell rings. Tardiness is unexcused unless the student has a signed pass indicating an excused tardy from either a teacher or from the attendance office PRIOR TO ENTERING THE CLASSROOM. All students who are tardy at the beginning of the school day must report to the attendance clerk/front office to obtain a tardy pass.

C. Absences

Classroom experiences and teacher-student interactions are essential components of learning. Therefore, unless ill, students should attend school each day school is in session.

When a student accumulates 3, 5, 7, and 10 days of absences, the parent/legal guardian will be contacted by letter.

Pursuant to A.R.S. § 15-901, a student who has ten or more consecutive days of unexcused absences will be withdrawn from enrollment. The parent/legal guardian must enroll the student again before the student may resume attendance. Parents are advised that absences in excess of 20 instructional days may result in a referral to social services.

Pursuant to A.R.S. § 15-807, if a student is absent without excuse or notice to the school, the school will make a reasonable effort to promptly notify the parent/legal guardian that the child is absent.

A student who participates in school-sponsored events is considered present in school.

Students who are absent from school for any reason including athletics have the responsibility to complete any missed class assignments when they return to school.

Upcoming Events

Sept. 10 - Early Release
Sept. 10 - Parent/Teacher Conference @ 3:00 PM
Sept. 11 - Parent/Teacher Conference @ 3:00 PM
Sept. 11 - Early Release

Message from our Superintendent

Welcome back to new beginnings of a new school year, as we fulfill our purpose and the commitment we share to our students and the community. Each year, we welcome new opportunities and challenges, and this year is no different. We are excited to continue our service and continuing implemented programs designed to enhance our educational offerings and to support our mission of providing an exceptional learning experience for every student who chooses GUSD.

At the heart of our work is a shared commitment to our students. We recognize the trust that families place in us when they choose GUSD for their children's education. It is our responsibility to ensure that we not only meet their expectations but exceed them. This year, we are focused on creating opportunities that will make this school year memorable for both our students and our educators. Together, we will strive to cultivate an environment where learning thrives and every student feels valued and supported.

We are proud of the improvements we have made in our educational programs and practices. Our goal is to provide a great education that extends beyond graduation. We understand that education is a lifelong journey, and we are dedicated to equipping our students with the skills and knowledge they need to succeed in an ever-changing world. This year, we will continue to refine our instructional strategies, ensuring that they are reflective and effective.

Creating a safe and nurturing learning environment is important. We believe that students learn best when they feel secure and supported. This year, we will focus on building positive relationships among students, staff, and the community. By working together, we can create a culture of respect, inclusivity, and encouragement that will benefit everyone in our school district.

As we begin this school year, let us remember the importance of collaboration. We are here to support our students, and we encourage open communication and feedback. Let's work together to address challenges, celebrate successes, and continuously improve our practices.

We thank you for choosing Ganado as your school and your child's commitment to GUSD. We continue to work to fulfil our district mission and vision by holding the importance of our Foundations of Learning for all. Our Team is excited about the possibilities that lie ahead this year, and we look forward to working alongside each of you as we strive to make a positive impact on the lives of our students.

'Ahee'hee.

Respectfully,

Leandra Thomas

Dr. Leandra Thomas, Superintendent
