

# SPARK Assignments May 11-May 15, 2020

Hello all Super Heros,

Now that you have completed your super hero training I believe it is time for a little fun and games. Last Friday May 8, 2020 was National Field Day and even though we are not in school we are not going to let that stop us. The OPEN National Trainers have stepped up to create creative AT HOME games that can help bring students and their families together. Field day must go on!

Choose 5 games to play, one for each day of the week. Use the blue and red score card below to keep track and submit at the end of the week.

Have fun!
